

OFFICE VACUUM

Express Plus Office Vacuum

This powerful Office Express Model is designed to extract micro-toner, developer and color toner, as small as .3 micron, from copy machines and printers. It can also be used to extract soot, pollen, dust, precious metals, paint pigments and other fine particulate that make it ideal for use in the office, home office, shop, boat or car.

It comes standard with a 6' toner-proof hose, toner-proof round dust brush, flexible goose neck, crevice tool, crevice tool brush and a 12' power cord.

Available Options

Micro Tool Kit - Set of 6 Micro Tools for computers, printers, cameras and other hard-to-reach areas.

Deluxe Carrying Tote - Stores utensils, power cord, extra filters, and other cleaning items. Ideal for the traveling technician!

Replacement Cartridge Filters - Safe and easy-to-use, these cartridges eliminate the mess when changing filter bags by sealing the debris. (2 pack)

HEPA VACUUM

Express Plus HEPA Vacuum

The Express Plus HEPA Safety Vacuum comes with a .12 micron HEPA filter that is designed to extract lead dust, mold and other harmful contaminants. It is constructed with a grounding wire making it and all of its utensils 100% ESD safe. In addition, this model is manufactured with a line filter that filters the noise from the electrical line, making it safe to use in clean rooms and other noise sensitive areas.

The HEPA vacuum is ideal for sensitive electrical equipment, such as telecom switches and routers, hospital and laboratory equipment, sensitive manufacturing equipment, computers and digital printers of all types. It comes standard with a 6' toner-proof hose, toner-proof round dust brush, flexible goose neck, and a 12' power cord.

Available Options

Micro Tool Kit - Set of 6 Micro Tools for computers, printers, cameras and other hard-to-reach areas.

Deluxe Carrying Tote - Stores utensils, power cord, and extra filters, with generous room for other cleaning supplies.

Replacement .12 Micron HEPA Cartridge Filters - Easy to use filters are sealed for safe disposal. (2 pack)
